

## Parador de Ferrol

### The Parador:

The historic naval port of Ferrol – the birthplace of the dictator Francisco Franco – is located in the far northwest of Spain, across the bay of the Ría de Betanzas from La Coruña. Among the buildings worth visiting are the castle of San Felipe, the cathedral, and the Church of San Francisco. The Parador de Ferrol stands in the heart of the town and is housed in an elegant mansion, whose façade combines stonework, plaster and glazed galleries.
