

## Parador de La Granja

### The Parador:

The Parador de La Granja was officially opened by King Juan Carlos of Spain on 7th June 2007 within the grounds of the magnificent palace of La Granja near Segovia. This is the 91st Parador in the network and it offers all the facilities you might expect of a 21st century hotel, combined with the character and sense of history created by the 18th century buildings that house the Parador.

### Primary Facilities:

- Lift
- Wi-Fi
- Swimming Pool
- Spa

### Key Activities:

- Gorges of the Duraton River
- The Roman aqueduct
- The Royal Glass Factory (behind the Parador)

### Keytel Tips:

- The Parador de La Granja provides its visitors with a truly relaxing experience, be it with its spa offering multiple treatments, or with a stroll in the 170 hectares of beautifully arranged gardens, said to be modelled on the landscapes of the Chateau de Versailles in France.
