

Parador de Cruz de Tejada

The Parador:

This new addition to the Parador group opened its doors to the public in February 2009. Once a rural restaurant, the original building from 1937 has been converted into a modern and environmentally friendly Parador hotel in one of Gran Canaria's natural beauty spots. The Parador owes its name to the impressive, towering stone cross at the entrance which was used as a reference point in the 17th Century.

Primary Facilities:

- Lift
- Parking (chargeable)
- Wi-Fi
- Gardens
- Spa

Key Activities:

- Roque Nublo stone formation
- Playa de Maspalomas located in the Dunas de Maspalomas nature reserve
- Las Canteras beach in Las Palmas

Keytel Tips:

- The year-round good weather makes Gran Canaria a fantastic choice to escape into the sunshine even in winter months, and the Parador de Cruz de Tejada's central location is the perfect base to explore each part of this wonderful island.
